

## ICEHOTEL, Sami culture, and whale safari

**Let your group discover Arctic nature and Sámi culture over four action-packed days. The trip will take you to some of the Nordkalott region's most unique destinations—from the ICEHOTEL and Nutti Sámi Siida to a whale safari in the Norwegian fjords.**

The trip begins with a visit to ICEHOTEL before you continue on to Nutti Sámi Siida, where you'll learn about Sámi culture, traditions, and reindeer herding through a guided experience. The journey then continues through the mountain landscape to Andenes.

The program concludes with a whale safari where you'll have the opportunity to see orcas in their natural habitat. Together with the majestic fjords and the Arctic light, this creates a nature experience that will leave the group with memories to take home.

### PROGRAM

**Duration:** 4 days / 3 nights **Season:** October – January

|                    | Day 1                                                 | Day 2                                                      | Day 3                                                                      | Day 4                                       |
|--------------------|-------------------------------------------------------|------------------------------------------------------------|----------------------------------------------------------------------------|---------------------------------------------|
| <b>Morning</b>     |                                                       | • Hotel breakfast                                          | • Hotel breakfast                                                          | • Hotel breakfast                           |
