## All about skiing

**Gather your group for four days of skiing in some of the Nordic region's most popular ski resorts. Narvik, Riksgränsen, and Björkliden offer three distinct skiing experiences, all set against the backdrop of the magnificent Arctic landscape.**

The trip begins in Narvik, where evening skiing is combined with spectacular views of the Ofotfjord and the surrounding mountains. The next day, the skiing adventure continues in Riksgränsen, known for its varied terrain, well-groomed slopes, and long history of skiing. After a day on the mountain, enjoy après-ski, a spa, and a group dinner.

The final day of skiing is spent in Björkliden, where wide slopes, magnificent views, and skiing close to nature provide the perfect ending to the trip before heading home the following day.
